COURSE EVALUATION:

Students will complete the specific learning objectives and evidence of achievement within the above framework on the Intern Placement Tracking platform (IPT) within two weeks of starting practicum. These form the basis for evaluation throughout the practicum experience. Assignments of work in practicum to meet the objectives will be made by the practicum supervisor.

Evaluations of learning objectives and evidence of achievement are completed formally by the field instructor and student twice during the practicum – the Midterm Practice Performance Evaluation and the Final Practice Performance Evaluation. The field supervisor and student will complete the Midterm Performance Evaluation form prior to the completion of 225 hours and ‘sign’ the form, which will then be reviewed and signed by the faculty liaison. The Final Performance Evaluation Form will similarly be completed within one week of the completion of the required hours. The hours tally sheet should be completed daily, and ‘signed’ at the completion of practicum by the student, the field instructor and the faculty liaison.

The faculty liaison will visit the site a minimum of two times during the practicum, the specific times mutually negotiated, at the beginning and middle of the practicum.

SOWK 560 is graded as a Pass or Fail. The faculty liaison assigns the standing, taking into consideration the field instructor’s evaluation and recommendation. A grade will only be submitted when all assignments, evaluations and hours tally sheets have been signed off by the student and the field instructor.

COURSE SCHEDULE:

The required field component for Practicum, SOWK 560 is 450 hours. Practicum days are Mondays when there is no class Tuesdays, Wednesdays Thursdays and Friday.

Students are allowed two days leave for illness without a make-up requirement. In those circumstances, the student must notify the Field Instructor, or designate, as soon as possible. If further leave time is

required, both the Faculty Liaison and the Field Instructor must be notified. For an extension of deadline, the student must obtain a Medical certificate, and all parties must agree to a make-up arrangement, including a new deadline. Time taken off for personal reasons must be approved by the Field Instructor and field liaison and no credit for hours will be received.
